Nonprofits Assistance Fund invests capital and financial expertise in nonprofits through loans, training, practical guidance, and financial management resources. We have always lived in, and served, the nonprofit world so we understand the nuances of managing a nonprofit. Let us help you strengthen capacity to address unexpected events, finance new opportunities, and realize strategic goals.

## WHERE WE WORK

In addition to providing loans to organizations across Minnesota and neighboring communities, we are proud to partner with organizations across our region to develop and provide training. Our customized training workshops and conferences can be crafted for a nonprofit field of service, community, or cohort of organizations.

## WHAT WE DO

## LENDING

We make loans to a wide range of nonprofits of different sizes and fields of service to strengthen and expand programs, manage cash flow, and finance real estate projects. Our lending team determines the best approach to meet your needs, and sticks with you to address challenges. We sit on your side of the desk, and we will be your financial partner for the long haul.

## SUPPORT & RESOURCES

We understand it's not always convenient to attend in-person workshops or training opportunities. So we've developed a Resource Library full of downloadable templates, tips sheets, videos and more to help you develop and implement effective practices. We're also available for phone calls and meetings to help give you the financial advice you need to be a true financial leader. Best of all? It's all free.
